Dear Hal:

This letter will have to be necessarily brief as I'm in the process of gathering (& reading) material for the 2 conferences to be held in Dallas.

I leave for Dallas on Wed. Nov. 18th & will be returning to S.F. late Mon. night Nov. 23rd.

Look over the enclosures when you get a chance. I particularly wanted to have you read Gary Aguilar's article on me ("Hal Verb's misunderstanding"---). I'll phone you when I get to Dallas (probably early Thursday morning, Nov. 19th). As you can see Gary is of the firm belief the back of the head was blown out because his witnesses say so. While not committing himself completely he leaves you with the direct implication the photos were altered.

Gary wants me to speak at his COPA conference (& I will) & my talk will be on the non-alteration of the Z-film). I'm also talking on the same theme for the Lancer conference so I'll be running back & forth between conferences.

I'll talk to you soon.

Best,
Hal Verb
